

AKADesign | studio & technical furniture

PROMEDIA

The ProMedia offers a cost and space effective solution for most desktop editing systems. This product has been used for QC, monitoring and graphics desks often in situations where space is a premium.

This product range comes flat packed which makes it easy to ship and assemble on site. We offer a free design layout service so if you send us a floor plan of your studio, we will fit your ProMedia desk into the space. We also offer Hybrid with our Product range; this means custom sections can be built if required for a specific project. The standard colours are Graphite Grey & Crown Oak, alternative colours are available on request.
