

AKADesign | studio & technical furniture

PROLITE

The ProLite desk is similar to the ProEdit as it is designed for offline and online editing environments. The ProLite is not part of the ProWave range and cannot be integrated with the ProWave racks or worktops, however the ProLite does have it's own 12u rack as an optional extra.

We offer a free design layout service so if you send us a floor plan of your studio, we will fit your ProWave system into the space. We also offer Hybrid with the ProWave range; this means custom sections can be built if required for a specific project. The standard finish is Crown Oak.

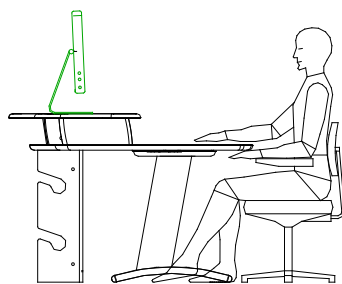

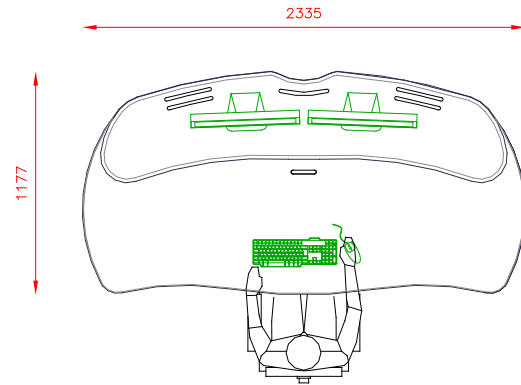

PROLITE details

PROLITE ordering

Ordering

Please contact our sales team by phone or email, to discuss your requirements. We offer a free design layout service and will send a drawing of your specific configuration and quotation. Once the design and price has been agreed, we will send an order confirmation form for you to check, sign and return. The sales department is open 9:00am – 6:00pm, Monday to Friday.

Payment

All orders require payment prior to despatch.

Fitting On Site

Your new desk will come flat packed for quick and simple construction. We do, however, offer an on site assembly service; please contact our sales team for a quotation if you request this service.
